### Honor Roll Paris City School.

When all statistics were gathered it  
was found that a few new pupils were  
enrolled, making a total enrollment of  
929. The attendance, too, was good,  
the general average being 837.  
At the request of Profs. Gentry and  
Baker, the colored night school was  
suspended at the close of this month,  
because of small attendance. The at-  
tendance at the white night school is  
fair, when all the circumstances are  
considered. The average was 16. The  
schools, as a whole, are prosperous, the  
interest is good and many of the pupils  
are doing excellent work, indeed. We  
take pleasure in presenting a large  
honor roll. Many have missed this place  
of honor by only a fraction; others were  
tardy only once and lost the honor, and  
the low department of a few barred  
them.

#### I Do the Best I Can.

I do the very best I know how—  
the very best I can; and I mean to  
keep doing so until the end. If the  
end brings me out all right, what is  
said against me won't amount to any-  
thing. If the end brings me out  
wrong, ten angels swearing I was  
right would make no difference.—

"Consumption had me in its grasp;

### GOOD for OLD and YOUNG

August Flower keeps the children healthy and  
strong—  
Full of vigor and frolic the whole day long.  
So when Mamma needs more they rush off in  
high glee,  
And shout to the druggist: "Please give it to  
me!"

Inability to get up brisk and fresh in  
the morning, lack of appetite, paler,  
muddy complexion and poor spirits—  
these all indicate a disordered stomach  
and bad digestion—in adults and children,  
too. They also indicate the urgent need  
of taking Green's August Flower regu-  
larly for a few days.

It's a reliable old remedy for all stomach  
troubles, never fails to cure indigestion,  
dyspepsia and chronic constipation, and  
is a natural tonic for body and mind. It  
comes in two sizes, 25c and 75c. All druggists.

### Chamberlain's Have the Prefer- ence.

"Mr. Fred C. Hanrahan, a prominent  
druggist of Portsmouth, Va., says:  
"For the past six years I have sold  
and recommended Chamberlain's Colic,  
Cholera and Diarrhoea Remedy. It  
is a great remedy and one of the best  
patent medicines on the market. I  
handle some others for the same pur-  
pose that pay me a larger profit, but  
this remedy is so sure to effect a cure,  
and my customer so certain to ap-  
preciate my recommending it to him, that  
I give it the preference." For sale by

### "One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm  
he calls all the hens in the farm yard  
to come and share it. A similar trait  
of human nature is to be observed  
when a man discovers something ex-  
ceptionally good—he wants all his  
friends and neighbors to share the  
benefits of his discovery. This is the  
touch of nature that makes the whole  
world kin. This explains why people  
who have been cured by Chamberlain's  
Cough Remedy write letters to the  
manufacturers for publication, that  
others similarly ailing may also use it  
and obtain relief. Behind every one of  
these letters is a warm hearted wish of  
the writer to be of use to someone else.  
This remedy is for sale by W. T.  
Brooks. You need no other guaran-  
tee. apr
